

**VILLAGE OF BOYLE
BYLAW 03-18**

A BYLAW OF THE VILLAGE OF BOYLE IN THE PROVINCE OF ALBERTA, FOR THE PURPOSE OF GOVERNING AND REGULATING THE SUPPLY AND / OR DISPOSAL OF NATURAL GAS, WATER AND SEWER; AND FOR THE PURPOSE OF CONTINUING A NATURAL GAS CONTINGENCY FUND AND FOR THE PURPOSE OF SETTING RATES INSOFAR AS APPLICABLE TO THE CONSUMPTION OF NATURAL GAS AND WATER AND THE DISPOSAL OF SEWER AND SERVICE AND G.S.T. CHARGES.

WHEREAS, The Municipal Government Act being chapter M-26 of the Revised status of Alberta, 2000, as amended, states that the Council may pass bylaws for the general maintenance, management or conduct of any public utility, for the fixing in connection with public utilities, the rates, charges, tolls, fares, and rents, for the collection of rate, and

WHEREAS, the Gas Utilities Act, provides other authority as required in this bylaw.

NOW THEREFORE, the Council of the Village of Boyle in regular session duly assembled

HEREBY ENACT AS FOLLOWS:

1. DEFINITION(S):

- a) Village shall mean the Village of Boyle, the Council of the Village of Boyle, the Village of Boyle Natural Gas, Water and/or Sewer Distribution and/or Transmission System, or any agent, representative, or servant thereof, as may be appropriate.
- b) Applicant shall mean the registered owner(s) for Natural Gas, Water and/or Sewer Service(s), or Natural Gas, Water and / or Sewer Service(s) line(s), or any person requesting use of Natural Gas, Water and/or Sewer when applied for by written application.
- c) Consumer shall mean the applicant for Natural Gas, Water and/or Sewer Service(s), or any user of Natural Gas, Water and / or Sewer in the Village of Boyle or outside the Village of Boyle who may be supplied with Natural Gas, Water and/or Sewer from the Village Distribution and /or Transmission System.
- d) Consumer Premises shall mean the premises to which the Village supplies Natural Gas, Water and/or Sewer to the Consumer.
- e) Utilities shall mean Natural Gas, Water and/or Sewer as distributed, supplied and/or transmitted by the Village of Boyle.

2. LIABILITY OF CONSUMER:

That utilities shall be supplied to the Consumer Premises as requested, and the consumer shall be liable to the Village for all utilities registered through the

2/14

meter(s), and all services and other charges which may be levied, unless or until a notice to discontinue the service is made by the Consumer to the Village.

3. LIFE OF CONTRACT:

That a contract for services, whether written or implied, shall remain in full force and effect until terminated as provided herein either by notice from the Consumer or from the Village.

4. TRANSFER OF CONTRACT:

That a contract for service is not transferable, and may only be discontinued as provided in clause two (2) or three (3) above.

5. VERBAL AGREEMENTS:

That no agent, representative or employee of the Village has authority to make any promise, agreement or representation not incorporated herein nor any contract of service, and any such promise, agreement or representation not so incorporated shall not be binding upon the Village.

6. APPLICATION FOR SERVICE:

That all Applicants for utilities shall complete and sign an application for Utility Services in the form and style attached as schedule "A" to this Bylaw.

7. ACCESS TO PREMISES:

That the Village of Boyle shall have free access at all reasonable times to the Consumer's premises for the purpose of reading meter(s), turning utilities, off or on, affecting repairs and stopping leaks, examining pipes, connections, fittings and apparatus, testing, repairing or removing meters or confirming the use made of utilities by the Consumer.

8. DELIVERY OF UTILITIES:

The property line of the Consumer Premises shall be the place of delivery and/or disposition of all utilities supplied distribution and/or transmitted to and/or from the Consumer. The expense and use of utilizing such utilities after delivery at the property line shall be borne by the Consumer in all cases where the damage resulting there from is not attributable to the negligence of the Village, its agents, representatives or servants.

9. INSTALLATION OF UTILITIES LINE(S):

That the Village of Boyle will install the gas line for the Consumer with the Consumer responsible for the costs outlined in the Fees and Schedules Policy. The Consumer will be responsible for the installation of the water and sewer line(s). The Village shall install the pipeline(s) for the natural gas from the said property line to a meter suitably located on the Consumers premises, the said

meter and pipeline(s) to be owned and remain the property of the Village and to be installed at a location determined by the Village. A Service Completion

Notification known as Schedule 'F' will be completed and signed off by a Certified Gas Fitter.

10. FAILURE TO SUPPLY:

That in the event that at any time the supply of utilities is becoming or is inadequate, or fails entirely, whether due to natural causes, line breakage, or for any other reason, no action shall be maintained against the Village nor shall the Village be liable for damages for any injury either to person or property resulting there from, except where such injury or damage is caused by the negligence of the Village.

11. MEASUREMENT:

That for measuring the utilities used by the Consumer, the Village shall install on the Consumer Premises at a point to be selected by the Village, such meter or meters as the Village deems necessary, which shall be and remain the property of the Village.

12. MAINTENANCE OF METERS:

That the Village shall maintain such meters, free of cost to the Consumer, except for repairs and replacement caused by negligence, tampering or misuse of such meter or meters by the Consumer or anyone on his premises, in which case the cost of such replacement or repairs shall be paid for by the Consumer.

13. VERIFICATION AND TESTING OF METERS:

That in the event of the Consumer making application as provided by the Utilities Inspections Branch for the testing of a meter, and it is found by such testing that the meter is recording correctly, the Consumer shall pay the costs incurred by the Village, but in any event, not less than the fees set out in the Fees and Schedule Policy, to cover expenses in respect to removal and replacement of the meter for the purpose of the test.

14. BILLING FOR SERVICE:

That once service has been commenced, meter(s) may be read monthly, semi-monthly, semi-annually or as required by the Village. In the event that meters are read other than on a monthly basis, billing shall be on an average monthly basis. Meters shall be read at the end of the estimated period, and the proper adjustments made to the consumer's bills.

That the Chief Administrative Officer, or his/her designate, is hereby authorized to provide billings for utilities services prior to the end of each month, and to mail these billings before the eighth day of every month following the month in which the utilities services granted, to each, and every owner or occupant as a user of the service. This billing shall be included on a single bill form along with the garbage and any other charges as required. Final accounts with a balance due of

less than \$5.00 or a credit balance of less than \$-5.00 will be neither charged nor refunded.

15. PAYMENT FOR SERVICE:

That all accounts are due and payable before the twenty-eight (28th) of the month following the month in which the billing is made. Payment of the billing may be made at the Village office during normal business hours, at the Canadian Imperial Bank of Commerce, or at the ATB Financial in Boyle, Alberta, during their normal business hours. The Village also offers a Utility Pre-authorized plan which allows automated withdrawals, for the amount of the current utility bill from the customer's bank account. This withdrawal will be made on the due date indicated on the billing.

- INABILITY TO READ METERS:

That the Village shall have the right, in the event that its representative is unable to gain entrance to the Consumer Premises for the purpose of reading the meter(s), to estimate consumption and to tender a bill based upon such estimated consumption, or to disconnect the service if the representative is unable to gain admittance for three consecutive months. Such disconnect fees shall be applied in accordance with the Fees and Schedule Policy.

16. MOVING METERS:

That the Village shall have the right to make reasonable charges for moving meters from one location to another, at the request of the Consumer. Such charge shall include cost of labor and materials required for such move plus Administration fee as per Fees and Schedules Policy.

17. CUTTING OFF SUPPLY:

That the Village shall have the right to cut off or disconnect supply and/or distribution of utilities for any of the following reasons.

- a) Due to failure, temporary or permanent, of the available supply, distribution and/or transmissions of utilities.
- b) For non-payment of any indebtedness or for the failure on the part of the Consumer to pay any deposit or increase thereof forthwith on demand.
 - i. All fixed charges will apply on disconnects due to non-payment.
- c) Assignment or insolvency of the Consumer.
- d) The use of the Consumer of defective pipe(s), appliance(s) or utilities fittings, or the demand by the Consumer for supplying of utilities in such manner as may, in the opinion of the Village, be likely to lead to a dangerous situation.
- e) The use of utilities contrary to this bylaw or any rules and regulations of the Province of Alberta relating to Public Utilities and/or any duly appointed or legislated Public Utilities Inspector or any statute or other regulating body.

c/1
✓

- f) Fraudulent misrepresentation in relation to the use of utilities or the amount of utilities supplied, distributed and/or consumed.
- g) Termination of the contract for any reason whatsoever.
- h) Discontinuance of the use of utilities on the premises.
 - i. If water is disconnected there will be no sewer charge unless the disconnect was due to non-payment.
 - ii. If the dwelling is empty and the gas line abated no gas fixed charges will apply.

Reasonable notice shall be given to the Consumer, whenever possible, except in the case of emergencies, that the service will be discontinued when it is necessary to make repairs at any one point in or on the system.

18. CUT-OFF FEE:

That in the event of any default or failure of the Consumer to comply with the rules and regulations of this bylaw, a Village representative will be sent to the Consumer Premises for the purpose of turning off the utilities supply, distribution and/or transmission. The Consumer shall forthwith pay to the Village a fee as outlined in the Fees and Schedules Policy plus other costs outstanding, plus an additional fee as outlined in the Fees and Schedules Policy if the utilities service is actually turned off.

If for some reason, the Consumer wishes to have the service disconnected, or the service is disconnected by the Village, for a period exceeding fourteen (14) days but less than one (1) year, the Consumer shall pay the Village, at the discretion of the Administrator, and/or his/her designate the Service Charge for each month that the service was disconnected, and the fee as per Fees and Schedule Policy as stated in the paragraph immediately proceeding this one.

Prior to reconnection of the utilities service, a reconnect fee as per Fees and Schedule Policy will apply. Until payment is made of the total amount herein provided, together with any outstanding indebtedness owed by the Consumer for utilities supply, distribution and/or transmission, the Village may at its own discretion, refuse to supply utilities service(s) to the said Consumer. The Village shall make no further charges for turning on the utilities again, so long as the meter has not been removed from the premises, and the Consumer has paid or made arrangements satisfactory to the Village for the payment of any outstanding indebtedness. For Utilities that are disconnected due to non-payment, applicant must reapply as per schedule "A".

19. REPLACEMENT FEE:

That if the Consumer orders a meter(s) replaced in the same premises within one year of its removal therefrom, the Village may charge a fee as per Fees and Schedule Policy or the actual cost of labor and materials required, whichever is greater, for such replacement.

20. RATE CLASSIFICATION:

See Schedule "B, C, and D" for rate Classification

21. INSTALLATION AND OR CONNECTION OF GAS SERVICE(S):

Installation and/ or connection of natural gas service(s) shall be as per Fees and Schedule Policy.

22. NATURAL GAS CONTINGENCY FUND:

That the Village continue with the natural gas, water and sewer contingency fund as set up for the purpose of lessening the impact when necessary to close down the remaining well once it is unable to produce. This contingency fund shall be kept at a minimum amount of \$100,000.00 (one hundred thousand dollars and no cents).

23. GRATUITIES:

That employees of the Village are expressly forbidden to solicit or accept any gratuities for any service rendered to the Consumer.

24. INFRINGEMENT OF RULES AND PENALTIES:

That any failure on the part of the Consumer to comply with this bylaw or any amendments thereto, or the terms of any contract, shall give the Village the right, at its sole discretion, to cancel any contract, and thereupon such contract shall be cancelled, and the Village may, without further notice, disconnect the Consumer Premises from its line and remove its property from the premises.

24 (a) That, sixty (60) days after the invoice date of billing, the Chief Administrative Officer or his/her designate may transfer to the tax roll of the parcel of land any charges for utility services that remain unpaid, and that these charges become an amount owing to the Municipality and subject to collection under the tax recovery process.

24 (b) That, an Administration fee as per Fee Schedule 00-20 shall be charged to the property taxes for any utilities in arrears transferred as per clause 24 (a).

25. ADDITIONS, ALTERATIONS AND AMENDMENTS:

That this bylaw may be added to, altered, or amended from time to time at the sole discretion of the Village.

26. That Bylaw 08-17 is hereby rescinded upon third and final reading of this Bylaw.
